Toho Gas Co., Ltd.

Notice Regarding Revision of Dividend Projection for FY2021

Toho Gas announces that, holding its Board of Directors' meeting today, the Company revised dividend projection per share as below.

This revision will be proposed to the Company's Annual Shareholders' meeting, which is scheduled on June 29, 2022.

1. Reason for Revision of Dividend Projection

Strengthening a business foundation, as well as ensuring stable dividends is our fundamental policy.

Taking our general situation of profit and financial condition into account, we have revised our year-end dividend projection to ¥ 30 per share up by ¥ 2.5 compared to the previous projection.

2. Details of Revision

Date of record	Annual dividend (yen)		
	Interim	Year-end	Total
Previous projections (as of Jan. 28, 2022)		27.50	55.00
Revised projections		30.00	57.50
Results in FY2021	27.50		
Results in FY2020	27.50	27.50	55.00
