

## Corrigenda

After the announcement of its “FY2014 ended March 2015 Consolidated Results Bulletin,” it was found that “Lease receivables and investment assets” was not set down separately under the account title of Current assets.

This correction has been made to “Consolidated Balance Sheet” and “Consolidated Statement of Cash Flows” of Consolidated financial statements, and the relevant parts of “Notes to Consolidated Financial Statements”.

The corrections have no effect on business performance.

The corrections are as follows (underlined):
